

## **2010 Volunteer Descriptions:**

### **Admissions & Bag Check:**

Admission volunteers are assigned to the admission gates. Job duties include taking tickets, checking bags and doing security at each gate. Volunteers must be 18 yrs. of age to take tickets and 21 yrs of age to do security and check bags. Volunteers must arrive one hour before the gates open to the public and will be on duty until the show ends. Security times may vary. Standing in open areas and sun is required for this position. There will be time for breaks and a meal break during the show.

### **Chair Set Up and/or Tear Down:**

Chair set up involves setting up approximately 5000 - 7000 folding chairs and securing the chairs in rows for the Reserve Seating. Volunteers are needed up to two days before the Airshow (typically Thursday late afternoon/early evening). Volunteers are also needed for tear down immediately after the Airshow on Sunday afternoon.

### **Concessions:**

Concession and Novelty volunteers are assigned to either a food, novelty or ice cream booth. Positions available within the booth are Booth Captain, Assistant Booth Captain, Cash Manager, Inventory Manager and general worker. Not all volunteers in a food booth need to have a food handler card, but each food booth does require two volunteers with a food handler card. So if you do have a food handler card, please check that specific box when you register. Volunteers must be 16 yrs. of age to work in a Concession Booth. Volunteers must arrive one hour before the gates open to the public and will be on duty until the show ends. There will be time for breaks and a meal break during the show.

### **Concession Compound Logistics:**

Concession Compound logistics involves assisting the Concession supervisor with setting up the concession booths, supplying needed items to the booths during the performances and then putting the supplies away after the show. Volunteers work as cluster captains and communicate closely with booth managers to make sure the booth is supplied with everything they need. Heavy lifting is required for this assignment. There will be time for breaks and a meal break during the show.

### **Ground Clean Up:**

Grounds Crew & Cleanup volunteers are assigned to monitor the Airfield during and after the Airshow. Job duties include setting up garbage boxes, collecting and changing garbage box liners, cleaning up trash from the ground if needed and then removing and replacing liners from the garbage boxes after the show. This volunteer assignment involves a lot of walking, bending or kneeling, and lifting up to 15 lbs. Friday volunteers will start earlier in the day (4pm-11pm) to set up the boxes and liners. Saturday and Sunday volunteers are assigned to a full day shift (9am-6pm) A third shift of volunteers is needed for Monday morning (7am-12noon) after the weekend show to do a final grounds and perimeter clean up to prepare the airfield for opening to air traffic. Volunteers must be 14 years old to work during the Airshow, but can be as young as 10 if accompanied by an adult and their assignment would be to clean up after the Airshow performance or on Monday morning. Volunteering on Monday (only) will allow the volunteer to attend one show during the weekend.

### **Information Booth:**

The information booth volunteers must have past Air Show experience and be knowledgeable of the Air field layout, ticket upgrades and be able to answer Air Show questions from the general public attending the Air Show. Booths will be manned on Friday, 4pm-10:30pm and Saturday/Sunday from 8am-4:30pm.

**Pre-Assignment by VP:**

Volunteer positions pre-assigned by Air Show Committee Vice Presidents and committee members.

**Reserve & Box Seating:**

Reserve and Box Seating volunteers are assigned to the Reserve Seating area. Job duties include assisting reserve ticket holders to find their assigned seat and guarding the area to insure that only reserve ticket holders are seated in the Reserve or Box Seating area. This assignment does involve standing in an open area without shade during the day. Some volunteers will be utilized to staff the two Information Booths. Volunteers must arrive one hour before the gates open to the public and will be on duty until the show ends. There will be time for breaks and a meal break during the show.

**VIP Parking Lot:**

VIP Parking Lot volunteers are assigned to directing vehicles where to park at the Jones Farm Intel parking lot. This parking lot is for VIP and general parking. Volunteers must be in place one hour before the gates open to the public and will be on duty until one hour after the show ends. This assignment involves standing in an open area without shade during the day. There will be time for breaks and a meal break during the show.
